

2014–2015 English Proficiency Exit Criteria Chart

At the end of the school year, a district may transfer (exit, reclassify, transition) a LEP student out of a bilingual or ESL education program for the first time or a subsequent time if the student is able to participate equally in a regular all-English instruction program as determined by satisfactory performance in all three assessment areas below and the results of a subjective teacher evaluation.¹

For State of Texas Assessments of Academic Readiness (STAAR) English reading and English writing, the performance level for program exit is Level II (Satisfactory Academic Performance) or above.
